

Innovative & Dependable. Trust Meyer for your Snow & Ice Removal Needs.

Choose Meyer. ALE Truck Beds is your local Meyer dealer serving the snowplow and spreader needs of municipalities, contractors and homeowners.

Since 1926, Meyer Products has been a leader in manufacturing highly reliable snow and ice management equipment. Meyer is fully committed to fulfilling customer needs and expectations.

With a wide variety of commercial-grade plows, Meyer equipment features:

- **Industry-leading 5-year Warranty** - ensures lowest cost of ownership and operation for any business or municipality
- **Tallest Moldboards** - with aggressive attack angles for better clearing
- **Hands-free Plowing** - to easily control the up/down movement of the blade using the shift lever
- **Self-diagnostic Control System** - allows easy system troubleshooting
- **One Touch/Double-click Controller Technology** - allows easy plow operation
- **Two-piece Plug** - makes connecting and disconnecting the plow faster and easier
- **Nite Saber® LED Lights** - fully adjustable and mounted to resist vibration
- **Fleet Friendly** - ability to switch plows between vehicles
- **Complete Line of OEM Accessories** - to customize your plow and spreader— Meyer Genuine Parts are designed to fit properly, perform better and maintain the warranty

Meyer also offers Ram and Jeep licensed snowplows and spreaders.
